

## WELDER FITTERS NEEDED

Dynamic Millwrights is a full-service company located in Listowel, Ontario, with extensive expertise in agricultural, commercial, and industrial millwrighting and fabrication.

Dynamic Millwrights Inc. is looking for practiced welder fitters to join our team. Job responsibilities include:

- Lay out, fit, and fabricate metal components to assemble structural forms, such as machinery frames, and pressure vessels, using knowledge of welding techniques and engineering requirements.
- Tack-welds or welds components and assemblies
- Inspects grooves, angles, or gap allowances, using micrometer, caliper, and precision measuring instruments.
- Removes rough spots from workpiece, using portable grinder, hand file, or scraper.
- Welds components in flat, horizontal, vertical, or overhead positions.

### **Qualifications:**

- Previous welding experience required
- Able to communicate clearly both verbally and written
- Strong mathematical applications
- Proficient reading blueprints, drawings and diagrams
- Exceptional attention to detail
- Able to work efficiently as part of a team, as well as independently
- Ability to work with changing and tight deadlines
- Current CWB tickets considered an asset

### **Working Conditions**

- Must follow all OHS and Company health and safety policies and procedures
- Ability to lift and carry objects up to 50lbs
- Manual dexterity required
- Frequently noisy working environment
- Overtime as required
- Able to remain standing for long periods of time

Competitive wages, Company Benefit and Group RRSP and DPSP package offered.

Please forward resumes to [recruitment@dynamicmillwrights.com](mailto:recruitment@dynamicmillwrights.com). *We thank all applicants for their interest; however, only those selected for an interview will be contacted.*

Upon request, we will provide reasonable accommodations in the hiring process to support applicants with disabilities.
