Draftsperson - Mechanical Designer

Description:

Dynamic Millwrights Inc. is looking for a creative and practiced Draftsman to work on all product stages from research and development to design and manufacture, through to installation and final commissioning. The goal is to design and fabricate mechanical components of innovation and excellence.

Responsibilities:

- Read and determine the requirements of the project documents and communicate freely with project managers regarding these requirements.
- Develop detailed models and submittal drawings from specific design documents for mechanical, structural and miscellaneous components using CAD software (SolidWorks, Draftsight, PDM)
- Recognize, modify and revise existing designs to optimize equipment output, minimize operating deficiencies and reduce production errors with our designs as well as customers existing equipment
- Some, in shop, duties will be required. This will further general knowledge and assist with design applications in several different areas and product scopes
- Review, research and analyze specifications, sketches, drawings, ideas, and related data to assess factors affecting component designs and the procedures and instructions to be followed
- Complete shop drawing and work order packages for fabrication for internal and external sources
- Layout, draw, and reproduce illustrations for reference manuals and technical publications to describe operation and maintenance of mechanical systems
- Utilize Microsoft office software to organize project information
- Other Duties as Assigned

Requirements:

- Possess a relevant technical degree OR relevant drafting and design experience
- Proficiency in AutoCAD, SolidWorks and/ or relevant software
- Fabrication experience an asset
- Mechanical experience an asset
- Strong organizational skill and attention to detail
- Exceptional communication and time management skills
- Ability to work independently and collaboratively
- Ability to prioritize ensuring all timeframes and deadlines are met
- Proficient computer skills in Microsoft Excel, Word and Outlook

Competitive wages, Company Benefit and Group RRSP and DPSP package offered.

Please forward resume to recruitment@dynamicmillwrights.com

We thank all applicants for their interest; however, only those selected for an interview will be contacted.

Upon request, we will provide reasonable accommodations in the hiring process to support applicants with disabilities.
